

VII MONTENEGRO WATER CONFERENCE
21-23 October 2026, hotel „Mediterran“, Budva

INVITATION LETTER

Dear Sir/Madam,

The Association of Waterworks of Montenegro (AWM) and the Union of Municipalities of Montenegro (UoMM) will host the seventh Montenegro Water Conference and Exhibition (MWC 2026), from October 21 to 23, 2026. This year's event is especially significant as it coincides with the 20th anniversary of Montenegro's restored independence, while the country stands on the threshold of the European Union, opening access to EU funds for infrastructure and environmental projects.

MWC has become a recognized platform for exchanging knowledge on water supply, wastewater treatment, and innovations, bringing together experts from Montenegro, the Balkans, and Europe. This year, participants can look forward to:

- Social program for informal networking and partnership building.
- Direct talks with directors of water and sewage companies.
- Exhibition space next to the conference hall, for permanent visibility and interaction.

The participation fee for the **Basic Package** for exhibitors is €1,500.00 and includes a fully equipped booth (2m x 2m, table, chairs, electricity, waste bin and company name branding).

In addition, we offer a **Premium Package** for a limited number of selected companies, which includes the booth and a presentation directly in the official conference program, ensuring additional visibility and engagement. Companies for this package will be selected on a first-come, first-served basis. The participation fee is €2,500.00.

Finally, the **General Sponsor** option provides the highest level of visibility, with exclusive branding and the status of the main sponsor of the event. Companies interested in this prestigious package are invited to contact us directly to arrange the details.

Travel and accommodation costs are not covered.

With over a hundred participants expected, including representatives of public utility associations, municipalities, cities, and international institutions, the MWC 2026 will be more than a conference, it will be a hub of innovation, networking, and business growth, set against the backdrop of Montenegro's European future.

Attached you can find the registration form. Please, fill-in the form and send it to udruzenjevikcg@t-com.me. After the registration, you will receive detailed payment instructions.

We warmly invite you to join us in Budva this October, to celebrate Montenegro's jubilee and to seize the opportunities that lie ahead for the water sector.

Sincerely,

Organizing Committee 2026, AWM & UoMM
